NOW SING WE, NOW REJOICE

1. Now sing we, now happy
   Now raise to heaven our signs;
   HE from HIM joy flows
   Poor in manger lies;
   Not same bright shines
   The sun in far skies,
   YOU my Savior true!
   YOU my Savior are!

2. Come from heaven to me;
   I cannot go to YOU.
   Give joy to my spirit,
   O pure and Holy Child;
   Through your grace and worth,
   Dear Jesus, Lord most kind,
   Pull me to YOU
   Pull me to YOU.

3. Now through HIS Son true shines,
   The Father's grace holy,
   Death age ruled over us
   Through sin and vain;
   He for us get
   Eternal joy in heaven,
   Let we praise in heaven
   Let we praise in heaven.
4. Oh, where shall we find joy?
   Only on heavenly ground,
   Place the angels singing
   With all HIS holy people group
   Sweetest praises bringing
   In heavenly joy and light,
   Oh, we wish for heaven!
   Oh, we wish for heaven! Amen
