O DARKEST WOE

1. O darkest trouble! Your tears flow!
   Has earth ago seen same sad happening?
   GOD the Father, HIS only Son,
   Now gets buried there.

2. O sorrow grief awful! GOD HIS Son now dead,
   But through Jesus receiving our punishment,
   Because our blame upon the cross,
   Jesus won for us salvation.

3. O Rock for Faith! Laid-down in death!
   Sweet lips now silent sleep,
   Surely all that live must sad,
   Here with bitter crying.

4. O Jesus blessed! My help and rest!
   With tears I now pray to YOU,
   Make me love YOU until the end,
   Until in heaven I meet you. Amen
